Newsletter of the Freestone State School

Our school community is working together to ensure that every student is learning and achieving every day.

## From the Principal's Desk

Dear Parents and Guardians

WOW!! It's only 10 weeks until the end of the year. We have a busy term ahead. The Year 3/4 students are busy preparing for the Extraordinary Reading Challenge in Week 3. Testing will be conducted during Week 8 (26 -30 November). The end of year concert and awards night will be held on Friday 30 November. Our fantastic school camp is in Week 9 with report cards issued in week 10, plus any other things that may pop up.

So far the children appear to have adapted well to the changes. If you have any concerns please do not hesitate to contact me as I am now here everyday. Wednesday is my Admin Day so if you need to schedule a meeting this is the best day for me.

A quick reminder about important morning routines at Freestone School. As a courtesy please let staff know if your child is getting dropped off early before 7.50am. We need to ensure staff are available for supervision of children who arrive early. Whilst we are usually here by 7.30am, there are times when we have meetings or minor works scheduled between 7.30 and 8 a.m.

Every morning before school the children read to a buddy or an adult. We encourage all children to participate, as the more reading we all do the better we become. This term we are also concentrating on Number Facts, so each child will recite their facts for the week to an adult or buddy. Parade will continue on Mondays, led by the year 5&6 students and starts at 8.45 a.m. Each week we hand out Random Acts of Kindness awards etc and we would like all our students to attend parade. Parents are also welcome to attend.

Tuesday, Wednesday, Thursday and Friday mornings from 8.40am to 8.55am we conduct fitness activities or games and we would like all the children to participate in these too. These are team building activities and are a fun way to increase fitness levels as well as developing skills.

Please support us by ensuring your child/children are at school to join in these important routines.

Thanks  
Robyn Devine.

### Random Acts of Kindness Term 3 Weeks 7&8

It is never a surprise to me when I do this part of the newsletter to find the students of the Freestone State School do so many wonderful things for each other. 

**Marcus** ran off to get a bandaid for Matthew when he hurt his leg.

**Rory, Peter and Tyson** were a great help setting up for the Father's Day event.

**James, Shaniqua, Will S and Rory** picked up all the recycle rubbish that had blown into the school grounds.

**Shaniqua and Hannah** showed respect to our school grounds as well and put rubbish in the recycle bins.

**Maddy** was a great help to Hannah when she got hurt at playtime.

Thank you **Shaniqua** for helping Monty sort out and find her jumper after morning games.

I know many of our students do great helpful things for others every day and are not seen doing it. Thank you
