# The Freestone Flyer

Newsletter of the Freestone State School

Our school community is working together to ensure that every student is learning and achieving every day.

## From the Principal's Desk

Dear Parents and Guardians

The weather can't seem to be able to decide whether to be lovely and warm or windy and chilly. Whatever the weather, it is the time of the year when students shed layers of clothing over the course of the day and some items don't make it back to their owner. Please clearly label all items of clothing and check every now and again to make sure your child hasn't come home with an extra hat or jumper. Talitha and Maddy are missing their hats so please check to see if they have accidentally made it to your home. In four weeks we have Tannymorel Sport's Day so we will need our school hats to be handy.

Just a reminder to please pack enough food for the day and try to ensure there are some healthier options and not just muesli bars and biscuits. We have reminded students they are not allowed to share food due to allergies etc., but if they have food left over and their sibling has nothing to eat they may share it as long as they check with the teacher on duty. Due to safety issues, we cannot make 2 minute noodles or cup a soups, however we can warm food up in the microwave. Leftovers make a nice warm meal on a chilly day.

I will be away for two weeks starting next week. Lovely Mrs Millen (Mrs M) will be taking my class whilst I am away. We spent yesterday afternoon going over lessons and plans and she is very excited about being at our lovely school. It will take her a little bit of time to get to know everyone but she is looking forward to meeting you all at pick-up times. Mrs M has worked with my group and they know her, however she may not be as familiar with the routines. If you have any concerns or questions, pop a note in the diary so we can make the transition as smooth as possible. Janine and Robyn will be sharing the Acting Principal's role in my absence. If there are any issues, please feel free to either come in and chat to them or message them on the school mobile.

Over the next few weeks, we will be starting ball games training and will be putting together relay teams. If your child/ren will not be able to make it to sports day at the end of term, could you please let us know so we have a better idea of what our teams will look like on the day. We will all be involved in training but we will try and have the students we know who will be there on the day, work together as a team for some practice sessions.

Have a great couple of weeks. I look forward to returning in week 10 after a very long road trip for my son's wedding.

Regards

*Laura Watson Principal*

## Random Acts of Kindness

### Term 2 Weeks 5&6

### Well done to the following students on their Random Acts of Kindness.

Well done **Shaniqua** for putting Maddy's desk back without being asked.  
**Lauren** and **Lucas** picked up pencil shavings in the Multi Purpose Room, a job well done.  
 Thanks to **Jackson** and **Riley** for helping Monty pick up all her sultanas.  
 Thank you **Peter** for helping out another student in RE by cutting out the activity for them.

## ~ P&C News ~

The P&C are holding a general meeting tomorrow, Friday 1st June at 3:30pm in the school library. Topics on discussion will be Jumpers & Jazz, Fathers Day, Colour Fun Run and a grant to do up the old play shed. We encourage everyone to attend as the more ideas put forward the better the event. A teacher Aide will be available to keep an eye on the children.

## ~Tuckshop~

Our \$3 snack deal for week 8 is a milkshake and a special treat made by Mrs Mauch. Remember to get your order and money into the tuckshop box by Wednesday afternoon. Please remember to send in a piece of fruit for fruit break and the usual lunch box selections.

## ~ Community Information ~

### Craft Morning Tea

The Freestone Hall will be holding craft mornings every Tuesday from 10am to make sunflowers, bees, grass etc. for Jumpers and Jazz.

For more information call Erin on 0481545141

## Years 1, 2 & 3

### Science Experiment showing how plants get water through their stems.
