Dear Families

Welcome to Week 3!

It has been very busy at school and all the students appear to be settling in and adapting to routines extremely well.

This week the newsletter is being sent home a little earlier in the week as Mrs O'Shea is only in on a Wednesday now and Mrs Gould is away this Thursday.

Our school diaries have finally arrived. To our new families, please remember to check this each day and sign to show that you have read that day. These diaries are a great way for you to keep us up to date with any pick up changes, issues or concerns. In turn, we will let you know how things are going at school. Diaries, like homework, need to come into school every day of the week.

Coming home today is also a request for volunteers for tuckshop. Please complete and return the form as soon as possible. If you have any queries, then please give us a call or pop in and have a chat on drop-off or pick up.

Both classes will be starting homework this week. We will gradually ease into it. Please let us know if there are any issues or concerns.

This Friday afternoon at 3:30pm the Year 6 students will receive their senior shirts in a simple presentation in front of their parents and any students who are still at school waiting to be collected.

The senior shirt presentation will be followed by a P & C meeting to discuss the proposed Trivia Night on March 13 and how Covid 19 Guidelines will affect this event. Everyone is welcome to attend.

The P & C AGM will be held once the auditor has completed his report.

Have a great week!

Regards

Laura Watson
