Monday
26th May 2025**

Warwick Country Sports Day

**Tuesday,
10th June 2025
held at
Wheatvale State School**

From the Principal's Desk

Dear Families,

It seems that cold and flu season has started early. Please keep your child home if they are unwell as a few days home with a cold is better than weeks away due to bronchitis. Simply send a text to the school mobile letting us know when they are away.

Our Mother's Day Bake Sale at Bunnings was a success. The P & C raised over \$1100 which is amazing! A heartfelt thank you to everyone who supported us, from supplying lots of delicious goodies, to donations and purchases.

Next Wednesday we farewell Mrs Brittany Sharp. It has been a pleasure having her on board, and the students have thoroughly enjoyed lessons, particularly her science lessons. We wish her all the best and hope that she returns to our area soon.

Thank you to all the parents who have come in for parent teacher meetings. It has been great to check in and keep you updated on your child's progress. If you missed the information that was sent home, pop a note in the diary about having a meeting, and we can arrange it.

We have decided not to attend the Under 8's Day at Wheatvale next Friday. All the short weeks and absences have made it challenging to get through everything. We do have some fun activities planned at the end of term as part of our Sporting Schools Grant. We are waiting on confirmation, but this will either be cricket or soccer. Parents are welcome to take their children and younger siblings to under 8's day at Wheatvale if they wish to. The details are in the newsletter.

The Tannymorel Sports Day has now been postponed until Term 3, but we do have Warwick Country Sports in Week 8 on Tuesday 10th June. Parents are responsible for transport to and from Wheatvale School. The first event of the day is the 800m for 10 years and older. All staff have set jobs to do on the day so we have limited capacity to supervise students who don't have their parents present. I will be sending out paperwork early next week. In order to participate in the program we have to have paperwork completed for every student. Under 8's have sprints and then are needed for relays, which are usually at the end of the day—it is massive! There will be a canteen operating on the day but pre-orders are required for hot meal options.

Finally, we wish Emily Coy a speedy recovery and welcome Emily Parker as a temporary cleaner in her absence. Have a safe week!

Other Notices

P-2 Term 2 Week 2 Student Awards

Congratulations to Ariyah for her awesome work in the classroom, and spelling and dictation. Also to Harper for being kind to her classmates.

Our Seniors for 2025 are Thomas, Charles and Matty (absent from photo). The shirt designs are very eye-catching this year and the Seniors look so mature in them. We hope the shirts will help them step up with being responsible leaders of our school. (Stay tuned for photo of Matty in next newsletter!)

Happy Birthday!

Raleigh celebrated his special birthday recently! What a lovely day he had!
