Friday
5th September 2025

Father's Day

Sunday
7th September 2025

Last Day of Term 3

Friday
19th September 2025

From the Principal's Desk

Dear Families,

We are very excited about our swimming lessons next week! Please ensure you have read all the information, including the letter from the pool requesting **a pair of pyjamas** for the last swimming lesson. (Students will need to wear their swimmers under their pyjamas.) This is a water safety exercise.

Also, a reminder about goggles - students will need these as the chemicals in the pool can make eyes painful. Also, if your child needs earplugs, please ensure that these are sent in, on or before the first lesson.

A request has been sent home for cereal boxes, shoe-boxes and tubes from aluminium foil or cling wrap (stronger tubes.) Please send these in as soon as possible because we would like to start on our constructions for P-2 Science and Year 5-6 Science next week. If you have any spares then please send them in too. Your support is much appreciated.

We are excited to announce that we are hosting the Tannymorel Sports on the last day of this term. Please notify the school as soon as possible if you plan to be away, so that we can organise teams for ball games and relays. Parental help will be needed on the day and we will be asking all families to send in home-bake to sell. This will be a fun day, and we understand parents will want to watch the events, but we will also need helpers in the canteen, as well as assisting with timing etc. There will be a P&C planning meeting next Wednesday, 3rd September, at 3.15pm.

Across the school we are working on responding to morning greetings. Each day we greet the students and it is lovely when we get a response instead of silence. We have taught the students how to respond with, "Good Morning (name)". Some students are excellent at greeting us first. It is such a simple thing to acknowledge others, and it makes a huge difference to our day. Our school has a reputation for having students with excellent manners and we would like to keep it that way. I am working with staff on transition days for Prep in Term 4, so we will have a list of dates for you very soon. Please encourage any families you know to come in and have a look. Word of mouth is the best form of advertising. Enrolments for 2026 are very positive but we would welcome more with open arms.

Have a safe week.

Other Notices

Week 3 Student Awards

Madison, Dominic and Thomas have been diligent in receiving their 100% in spelling and dictation.

Week 4 Student Awards

Violet, Taylen, Dustin and Isabella were STAR students with awesome results from their hard work.

Week 5 Student Awards

Perfect results in spelling and dictation for this awesome foursome - Braxton, Dominic, Thomas and Madison. Great work guys!

Week 6 Student Awards

Dominic, Thomas and Madison were awarded Yrs 4-6 Stars of the Week for their consistent results from weekly tests. Remarkable!

In the P-3 class, Harper was awarded for her impressive effort in writing and sounds AND Violet for her results in weekly testing and Maths. Wonderful job ladies!
