

# Investing for Success

**Under this agreement for 2018  
Freestone State School will receive**

**\$9968\***

## This funding will be used to

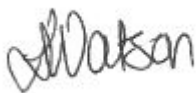

- Provide targeted support for students working well below the achievement standards for their year levels.

## Our initiatives include

- Using Early Start, The Literacy Continuum and School Data to identify students who are working a year level or more below their achievement standard.
- Consulting with SET/STLaN, teacher, parents and student to develop a support plan tailored to meet the needs of the student.
- Purchasing additional Teacher Aide hours to deliver support programs (\$9968).
- Enlisting the support of the HOSE to develop ICP's in One School.

## Our school will improve student outcomes by

- Analysing data to identify students significantly below their year level outcomes.
- Develop collaborative support plans for these students.
- Deliver support programs in weekly small groups or one on one sessions.
- Collate and review data at the end of each term.
- Provide timely feedback to the student and all stakeholders, about progress towards specified goals.
